D-BACKS SUSTAINABILITY

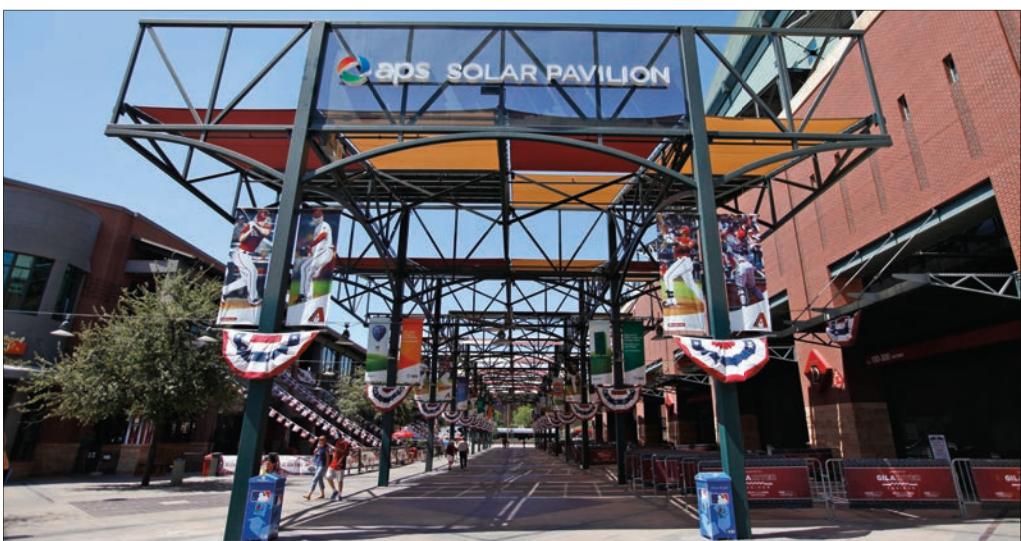

The Arizona Diamondbacks sustainability program is an organization-wide commitment to improving its environmental performance and to use baseball as the platform with which we can influence players, fans, employees and corporate partners to positively affect environmental change.

GREEN INITIATIVES & PRACTICES

- ◆ Salt River Fields at Talking Stick received LEED Gold Certification for New Construction, the first LEED Gold-certified sports venue of its kind in the United States... sustainable project elements include siting the stadium to provide maximum shade, using native vegetation, minimizing stormwater runoff, maximizing the amount of fresh air brought in through its HVAC systems and using grass-covered parking lots, rather than asphalt, that can double as playing fields for the community when not in use.
- ◆ The D-backs plan to divert paper, cardboard, plastic and metal products from the waste system and minimize water use throughout the ballpark.
- ◆ Encourage the use of alternative forms of transportation and lower the carbon footprint for Chase Field by reducing the amount of energy used for the facility's operation.
- ◆ In 2014, the D-backs replaced fluorescent lighting along the main concourse with energy-efficient LED lighting that will reduce the main concourse lighting power consumption by 60 percent each year.
- ◆ Hosted the first-ever Zero-Waste Spring Training game in Arizona on March 13, 2014 at Salt River Fields to bring awareness to recycling and composting.
- ◆ Contributing members of the Green Sports Alliance, a coalition of professional sports teams and sporting venues committed to promoting "greening initiatives" in sports.
- ◆ The APS Solar Pavilion generates 100,000 kWh of solar energy, generates enough electricity to power the lights at Chase Field for 11 home games.
- ◆ APS Electric vehicle chargers located outside Chase Field for fans to charge their car and learn more about alternative energy-powered cars.
- ◆ APS Green Series which is held annually to help educate fans on how to become more energy efficient and help protect the environment. During the APS Green Series, the D-backs purchased Green Energy from APS to power Chase Field for the entire three-game weekend.
- ◆ Media guides are available electronically; *D-backs Insider* magazine is printed with soy ink on recycled paper; most marketing collateral printed on FSC certified products.
- ◆ Renovation of Game Seven Grill on the Gila River Casinos Plaza included high-efficiency LED lighting and conversion of building to Building Management System to efficiently control energy use.
- ◆ D-backs game-day event and concessions staff shirts are each made from RPET fabric (each shirt created from 16 recycled plastic bottles).
- ◆ Grease is recycled into biodiesel fuel and vendors distribute bio-based and compostable food service items.
- ◆ Offer a reusable "loyalty cup" to season-ticket holders.
- ◆ All paper products used at Chase Field are comprised of recycled material.
- ◆ Recycling containers are placed throughout the concourse, administrative office and press box.
- ◆ In 2014, the D-backs and Levy Restaurants donated more than four tons (9,000 lbs.) of stadium food from Chase Field to Church on the Street... the donated food equals 7,500 meals that help people in the Phoenix community.
- ◆ LED equipment is used throughout the ballpark, including the scoreboard display.

APS SOLAR PAVILION

- ◆ Dedicated on April 28, 2011...partnership between D-backs, Maricopa County Stadium District & APS.
- ◆ Solar-shade structure covers 17,280 square feet.
- ◆ Solar panels will generate 100,000 kWh of solar energy, enough electricity to power the lights at Chase Field for 11 home games.
- ◆ APS plans to use solar facility as a technical demonstration project and will use panels to store energy in batteries and charge electric vehicles directly from the sun.
- ◆ Will also feature educational exhibits showcasing elements of sustainable living such as renewable energy, energy efficiency, electric vehicles and recycling.

E.G. (KEN) KENDRICK

MANAGING GENERAL PARTNER

A charter member of the ownership group that brought baseball to the Valley of the Sun, Ken Kendrick's involvement in the general partnership took on added significance in 2004 when he assumed the role of Managing General Partner of the Arizona Diamondbacks. Kendrick has taken an active role in the day-to-day operation of the D-backs and is the organization's designated representative when Major League Baseball owners convene during the course of the year.

During his tenure as the Managing General Partner, the D-backs have twice captured the National League West Division (2007, '11), reaching the NLCS for just the second time in the franchise's existence in 2007. As a commitment to the fans, Kendrick and the D-backs' ownership group continue to reinvest all profits into the team. Under Kendrick's leadership, through equity and debt restructures, the team has eliminated more than \$210 million of debt, putting the franchise on sound financial ground for years to come. Additionally, he led the negotiations with FOX Sports Arizona on a 20-year extension that begins in 2016 and is the largest financial transaction in franchise history.

Kendrick is in his 12th season in his current role and during that time, the franchise has become a model organization in Major League Baseball, hosting an All-Star Game at Chase Field in 2011, opening a Spring Training facility that is widely considered the finest in all of baseball in Salt River Fields at Talking Stick, and becoming one of the largest philanthropic entities in the Valley with charitable contributions topping \$41 million since the organization's inception.

In 2013, *ESPN the Magazine* rated the D-backs as the No. 1 team in all of Major League Baseball in its Ultimate Standings, which gauges success both on and off the field and *Ranking Arizona* recently named the team the No. 1 place to work in the state among small companies.

While the D-backs are his primary business focus, Kendrick has also helped to change the face of downtown Phoenix, as he is a principal in the development of CityScape, Arizona's largest commercial/retail real estate development just footsteps from Chase Field.

After receiving a bachelor of science in Business Administration from West Virginia University in 1965, Kendrick started his career with IBM. Three years later, he founded Datatel, Inc., which has become the worldwide leader in the development of computer software for the management of infrastructure technology for colleges, universities and foundations.

As Datatel continued to grow and prosper, Kendrick stepped down from the daily oversight of the company to explore new business opportunities. He served as President of a Texas-based financial services technology company for four years in the 1980s. In 1989, Kendrick became the principal investor in Woodforest National Bank in The Woodlands, Texas, which now is one of the nation's largest employee-owned banks. Woodforest National Bank, a \$4.5-billion entity with 5,000 employees, is a subsidiary of Woodforest Financial Group, which was founded by Kendrick and also includes Merchants' Choice Credit Card Services and Par Real Estate.

Kendrick also owns Bumble Bee Ranch, which is devoted to providing western lifestyle experiences to children's charities throughout Arizona in addition to the Ironbridge Golf Club in Glenwood Springs, Colo.

He is very active in many philanthropic endeavors, beginning with his role as Chairman of the Arizona Diamondbacks Foundation. The D-backs organization, combined with its Foundation, has surpassed the \$40-million mark in combined

charitable giving since its inception, including more than \$15 million in the last four years. In 2011, Kendrick received the Ellis Island Medal of Honor from the National Ethnic Coalition (NECO). He and his wife, Randy, were previously named the Living and Giving Honorees for the Desert Southwest Chapter of the Juvenile Diabetes Research Foundation. Kendrick also received the Visionary Award from the Foundation for Blind Children, Spirit of the Children Award from Childhelp USA, Today's Kids/Tomorrow's Stars honoree of the Boys & Girls Clubs of Metropolitan Phoenix, River Conservator of the Year by the Roaring Fork Conservancy and was named Man of the Year by the March of Dimes. He also serves on boards for various charities including the Barrow Neurological Institute, Brophy College Prep, the Phoenix Art Museum, The Buddy Program, Childhelp USA, UMOM New Day Centers, Challenger Center for Space Science Education, TGen Foundation, Cleveland Clinic Foundation, Roaring Fork Conservancy, Phoenix Children's Hospital, Arizona Heart Foundation and is Founding Chairman of the Datatel Scholars Foundation.

As a prostate cancer survivor, Kendrick has made significant contributions over the years to fund research in that field and in 2013, the Cleveland Clinic created The Kendrick Family Chair for Prostate Cancer Research.

Among the other endowments funded by Kendrick are Project Excellence, an educational program for inner-city youth at Phoenix Country Day School (PCDS) whose mission is to enrich, engage and empower first-generation students (the first in their families to prepare for higher education) from local public schools and the Loyola Academy, which provides education to sixth, seventh and eighth graders at Brophy College Prep who demonstrate academic promise but have had limited educational opportunities. In addition, Kendrick has supported the Tuzos Soccer Club since 2009 to underwrite the team's expenses with costs for registration, field-use fees, uniforms and equipment. The Club allows players from low-income families the opportunity to play in high-level tournaments, where players can be seen by college and soccer coaches and have the opportunity to receive scholarships.

An avid baseball card collector his entire life, Kendrick owns the famed 1909 T206 Honus Wagner card that was once owned by hockey great Wayne Gretzky. The Wagner card and 34 other iconic and rare baseball cards in Kendrick's collection, titled "The D-backs Collection," were previously displayed at the National Baseball Hall of Fame and Museum in Cooperstown, N.Y.

A native of Princeton, W.Va., Kendrick is an alumnus of West Virginia University in Morgantown and sits on the Board of Directors for the WVU Foundation. In 2014, he was named Philanthropist of the Year by WVU, one year after receiving an honorary doctorate from the university, considered higher education's most prestigious recognition.

He is the founder of the Center for Free Enterprise at WVU and he and his wife have established programs at WVU's College of Business and Economics focused on free-market research and at the WVU Eye Institute to support children's vision outreach programs. Kendrick funded the WVU Hall of Traditions, which provides a first-class showcase for the tradition of Mountaineer football and serves as a recruiting focal point at WVU. In 2006, Kendrick was inducted into the state of West Virginia's Business Hall of Fame and was also named to the WVU Academy of Distinguished Alumni. In 2011, he was inducted into the inaugural Roll of Distinguished Alumni at WVU's College of Business and Economics. He also sits on an advisory board of the University of Charleston in Charleston, W.Va., where he received an honorary Doctorate degree in 2005.

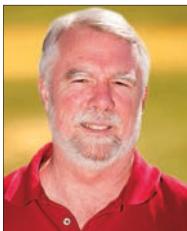

Kendrick and his wife founded the Freedom Center at the University of Arizona to promote, along four dimensions, the understanding and appreciation of the ideals of freedom and responsibility via published research, undergraduate education, graduate education, and community outreach. The Free-

dom Center also endows the Kendrick Chair in Philosophy and Economics.

In 2014, Kendrick was inducted into the Sigma Nu fraternity national Hall of Fame, an honor bestowed upon less than 60 people in the nearly 150-year history of the organization. Among those enshrined are "Bear" Bryant, Pat Riley, Archie and Eli Manning, Harrison Ford, broadcasters Al Michaels and Joe Buck, as well as former Major League managers Dick Howser and Dallas Green. He was also inducted into the Aspen Trashmaster's Golf Hall of Fame in 2014.

Kendrick was also honored recently with the prestigious Herman W. Lay Memorial Award by the Association of Private Enterprise Education, named for the former Chairman of the Board of Pepsi. MIKE CHIPMAN

GENERAL PARTNER

Mike Chipman is one of the three general partners who possess the largest financial stake in the franchise, and while he takes a low-profile approach to his role, his business acumen is invaluable when the partners assemble to make executive decisions regarding the shaping of the D-backs.

A graduate of the U.S. Air Force Academy with a degree in Computer Science, Chipman spent five years in the basic research arm of the Air Force, attaining the rank of Captain before resigning his commission to pursue a career in civilian life. He spent the next few years as a research scientist working in the area of computational physics, principally at Science Application International in La Jolla, Calif.

Chipman then made a huge impact in the computer software industry in the early 1980s when he and wife Evy founded ChipSoft, Inc., the original owner and developer of TurboTax®, the leading income tax preparation software program for consumers and small businesses. Chipman served as President and Chief Executive Officer of ChipSoft until 1990 and Vice Chairman until 1993, when ChipSoft and TurboTax® were merged with Intuit, Inc. ChipSoft grew from a spare room operation in the Chipman's home to a 550-person public company by the time he retired from the business.

Since retirement, Chipman has invested in various businesses principally through an Investment Angels group. Chipman has had a hand in the development of the highly successful Bank of Internet USA and has been involved as an investor with other banks in Northern Nevada. He has been an owner of commercial real estate in Arizona for more than a decade during which time he became one of the primary investors in the D-backs.

In 2008, Chipman ventured on his longtime dream to complete the 2,650-mile Pacific Crest Trail hike on foot from the Mexican border in California into British Columbia in Canada. The trek took him more than five months to complete the majority of the trail from April through September. He finished the remainder in 2010. He has since completed the Grand Enchantment Trail (Phoenix to Albuquerque, 750 miles), Washington Coast Trail (400), Tahoe Rim Trail (165 miles) and the Colorado Trail (500). Mike says the Arizona Trail (800) is on the short list.

Mike and Evy make their home near Lake Tahoe, Nev., where he has built a model railroad, complete with nearly 1,700 trees, a project that has kept him busier than he ever imagined. The Chipmans spend a lot of "baseball time" locally in Paradise Valley after having wintered in Carefree for more than 10 years.

JEFF ROYER

GENERAL PARTNER

Jeff Royer is a General Partner of the Team. Royer's love for baseball began in his youth as a devoted fan of Warren Spahn, the record-setting, left-handed pitcher of the Milwaukee Braves.

Royer is a private investor with interests in telecommunications, cable television, medical devices, hospitality and wireless equipment.

DERRICK HALL

Considered by many to be among the leaders of the game, D-backs President & CEO Derrick Hall has turned the organization into a model franchise within the sports industry and throughout the business world during his nine years at the helm of the club. Hall focuses the organization's efforts in five areas he has called the "Circle of Success" - fan experience, performance, community, culture and financial efficiency - each of which has seen tremendous growth during his tenure.

The success of the franchise during Hall's tenure has led to numerous honors, including *ESPN the Magazine* tabbing the D-backs as the top Major League franchise in 2013 and sixth overall among the 122 professional sports franchises in the publication's Ultimate Standings, which is based on eight categories on and off the field.

With a focus on creating the best fan experience in all of sports, Hall has succeeded in accomplishing that goal at both Chase Field and at Salt River Fields at Talking Stick, the D-backs' Spring Training home near Scottsdale. Stadium enhancements at Chase Field that have taken place under Hall's guidance include the APS solar shade structure and Game 7 Grill in the plaza area, new HD scoreboard in center field, the Sandlot on the upper level, the Miller Lite Diamond Club, All-You-Can-Eat Seats on the Insight Diamond level and value-item pricing at concession stands and Team Shop locations throughout the ballpark as well as the newly renovated merchandise and concessions experience in 2015. Hall also installed, named and created a FAWTSY (Find A Way To Say Yes) customer service policy throughout the organization to further improve upon the extraordinary fan experience, as *Arizona Foothills Magazine* tabbed Chase Field as the Best Sports Venue in Phoenix in 2014. Last year marked the eighth consecutive season that the team offered the lowest Fan Cost Index in Major League Baseball.

Hall's leadership has helped guide the D-backs to two National League West Division Championships (2007, '11) and one NLCS (2007). In 2014, Hall hired the first-ever Chief Baseball Officer in Major League history, naming Hall of Fame manager Tony La Russa to that post and providing him with the resources and responsibility to oversee the franchise's baseball operations. By season's end, Hall and La Russa had hired Dave Stewart as Sr. Vice President & General Manager while adding De Jon Watson as Sr. Vice President of Baseball Operations. Together, the baseball leadership group tabbed Chip Hale as manager and added several key players via trade and international free agency.

In the community, Hall has positioned the D-backs as one of the largest philanthropic entities in the Valley. In 2014, the Arizona Diamondbacks Foundation and the D-backs' organization surpassed the \$41 million mark in charitable giving since their inception in 1998, including nearly than \$30 million in the past nine years under Hall's direction. In 2014, the team launched the D-backs Give Back Jersey program which will outfit more than 35,000 youth players across 60 leagues this season. During the 2013 Yarnell Hill fire, the D-backs were able to give back more than \$700,000 on behalf of their fans to the families of the 19 firefighters who lost their lives. In 2008, Hall established the Michael Wogan Season Ticket Scholarship Program, a first-of-its-kind program for fans or existing season ticket holders who may have experienced a change in circumstances, providing families with more than 362 full-season tickets for a value of more than \$635,000 since its inception.

The unique corporate culture of the D-backs, which was created by Hall, led Yahoo! to deem the club as "the best workplace in sports." In 2013, the sports industry's highly-regarded recruiting network TeamWork Online tabbed him as the "Best Boss" in sports and the organization was named the "Most Admired Company for Workplace Culture" by *AzBusiness* magazine and *BestCompaniesAZ*. Fittingly, the D-backs' physical front office was rebranded the D-backs Culture & Innovation Center in 2013. In 2015, the D-backs were rated No. 1 on *Ranking Arizona's* list of Best Places to Work among small businesses.

Among the programs Hall has created is the President's Council, comprised of select members of the executive management team and a rotating committee consisting of the organization's Employee of the Month winners, to organize numerous company culture events throughout the year. He also established employee recognition programs like "A-Game All-Stars" to reward game-day employees for exceptional service on a monthly basis throughout the season. The organization's investment in its employees resulted in the D-backs becoming the first sports organization to be named among the "Best Places to Work" by the *Phoenix Business Journal* for eight consecutive years from 2007-14.

In 2012, with the intent to increase community volunteerism amongst D-backs employees, identify and develop leaders, the team created the D-backs Give Back League. More than 100 employees joined to form nine teams with each creating a plan to reach into the community. The volunteer-driven league resulted in close to \$875,000 in cash and in-kind donations and several thousand volunteer hours.

In the last 10 years, the team has eliminated more than \$210 million of debt through equity and debt restructures, putting the club on sound financial ground for years to come. Hall led the negotiations with FOX Sports Arizona on a 20-year extension that begins in 2016 and is the largest financial transaction in franchise history.

The organization continues to rack up awards and honors under Hall's leadership, including the Make-A-Wish Foundation's Chris Greicius Award (2014), the Phoenix Indian Center's Leon Grant Spirit of the Community Award (2014), Greater Phoenix Chamber of Commerce, IMPACT Award - Community Champion (2013), Arizona's Corporate Excellence Community Impact Award (2013), City of Phoenix Equal Opportunity Department - Excellence Award (2013), Arizona Business Leadership Award (2012), "Organization of the Year" (2011) and the DREAMR award (2012) by the Downtown Phoenix Partnership, "Most Admired Company" and "top leadership" by *AZBusiness Magazine* (2011). In 2010, the D-backs were given the inaugural United Nations NGO Positive Peace Award, which named the D-backs the most positive team in the world. The award honors and recognizes

organizations positively impacting their communities through corporate responsibility.

Hall's vision to further establish the organization as a sports industry leader while spurring economic development and impact throughout the Valley came to fruition in 2011, as the team hosted the Major League Baseball All-Star Game at Chase Field for the first time ever, creating an economic impact of more than \$67 million. Hall's persistence in convincing MLB to award the Midsummer Classic to the D-backs allowed Chase Field and downtown Phoenix to be showcased in more than 100 million homes across the world, while working diligently with city leaders, politicians and officials to ensure that fans had the finest All-Star Game experience.

The unveiling of Salt River Fields at Talking Stick, the D-backs' 140-acre Spring Training facility shared with the Colorado Rockies on Salt River Indian Community land near Scottsdale, Ariz., that Hall negotiated and designed, has greatly added to the already \$350 million of economic impact for the Valley associated with Spring Training each year. In both 2011 and 2012, the D-backs set a franchise record for Spring Training attendance while the two clubs set an all-time Major League record for combined attendance at a single Spring Training facility. Salt River Fields was the first pro sports training facility in the U.S. to be built on tribal land and was privately funded without the use of any taxpayer dollars. The facility received LEED-Gold certification from the U.S. Green Building Council in 2011, the first venue of its kind to achieve this designation.

Hall's vision for Salt River Fields was to keep fan interaction with players a top priority while also ensuring maximum comfort for visitors at the 11,000-seat ballpark. Both goals were accomplished, as the main stadium is located in the middle of the facility to enable fans to mingle throughout and get an up-close look at D-backs players as they practice. A unique roof structure and a northeast-facing field allow for approximately 85 percent of the fans in all 7,000 fixed seats to be shaded as the game progresses.

Hall routinely communicates with D-backs fans as part of his "one fan at a time" concept by answering every letter, email or phone call. He also conducts monthly chats online and is among just a handful of club presidents on Twitter and Instagram (@DHallDbacks), where he interacts regularly with fans. Hall spends most of his time at home games communicating with the fans in the stands to ensure their experience at Chase Field is exceptional.

Among the projects outside of Chase Field and Salt River Fields that have Hall's fingerprints on them is the Legends Entertainment District, a joint venture between the D-backs, the Phoenix Suns and the City of Phoenix that is the first of its kind between two professional sports organizations. The project has transformed the look of downtown Phoenix by creating experiential outdoor marketing opportunities and an energetic backdrop for visitors and Phoenix residents to enjoy their experience downtown.

Hall was personally selected to join a handful of corporate leaders by Governor Doug Ducey as one of his first orders of business to form a new pro-business group. The Arizona Zanjeros, as named by Ducey, are focused exclusively on economic development, defining Arizona's brand, and marketing the state to CEOs across the country and around the world.

Hall sits on Major League Baseball's International Committee and under his guidance, the D-backs hosted the first round of the 2013, World Baseball Classic. Hall has represented the team on goodwill trips to Mexico, Japan, the Dominican Republic, Australia and New Zealand, helping to bring international recognition to the franchise. In 2014, his continued efforts to showcase the D-backs on global stage reached its highest point, as the club hosted the Dodgers during MLB's historic Opening Series in Sydney, Australia.

Hall also serves on MLB's diversity committee and the

Commissioner's on-field diversity task force and in that regard, the D-backs have also been industry leaders. The team was named to the 2014 Arizona Hispanic Chamber of Commerce's Million Dollar Circle of Excellence as an organization that spends more than \$1 million annually with minority or women-owned businesses. In 2014, the D-backs became the first MLB organization to sign One Community's Unity Pledge which supports and advocates for workplace inclusion and protection for all, including LGBT community members. For his commitment to equality, Hall received the prestigious Torch of Liberty Award from the Anti-Defamation League (ADL) in 2014. The award, ADL's highest honor, was established to recognize individuals who have exhibited extraordinary humanitarianism, and whose everyday actions exemplify the principles of opportunity, anti-discrimination, equal rights, community involvement and fairness for all.

Hall currently serves on or is associated with 25 boards, including the Arizona Mexico Commission, Great Hearts Academies, Arizona Chamber of Commerce, Greater Phoenix Convention & Visitors Bureau, National Vice President of the Muscular Dystrophy Association, National Advisory Council for Pancreatic Cancer, Stand Up 2 Cancer Melanoma Dream Team Sponsor, Cancer Treatment Centers of America, US Airways Education Foundation, Valley of the Sun YMCA and Positive Coaching Alliance. Hall, who is the current Chairman of the Board for the Make-A-Wish Foundation and past Chairman of the Board for the Valley of the Sun United Way, raised \$47 million throughout the Phoenix area as the VSUW's 2009-10 campaign chairman. He has also raised money by serving as an event chairman for the Prostate On-Site Project (POP) Walk, 75th Anniversary March of Dimes, March for Babies Walk, The Wellness Center, several Juvenile Diabetes Research Foundation (JDRF) events, Southwest Autism Research & Resource Center (SARRC), St. Vincent de Paul, Florence Crittenton and the Foundation for Blind Children.

Hall served as master of ceremonies at the 2015 Arizona inaugural ceremonies and gives numerous keynote speeches to various groups or conventions throughout the country about his unique vision on leadership, customer service and culture. He has spoken to U.S. Air Force Academy cadets at the annual National Leadership and Character Symposium. He donates all speaking engagement fees back to the Arizona Diamondbacks Foundation and other local non-profit organizations he supports.

A native of Los Angeles, Hall joined the D-backs in May 2005 as Senior Vice President, Communications and served in numerous capacities prior to being named president in September 2006 and adding the title of CEO in January 2009. Prior to joining the D-backs, Hall made a brief stop as Senior Vice President, Corporate Communications for a For-

tune 500 company based in Los Angeles, where he increased brand awareness. He spent parts of 12 seasons with the Los Angeles Dodgers, joining the organization's Single-A Florida State League affiliate in Vero Beach, Fla., as an intern in 1992 and departing as the club's Senior Vice President, Communications in 2004. In between, he served key roles during three ownership changes with the Dodgers and was recognized for reuniting Fernando Valenzuela with the organization after hiring him as a color analyst for the team's Spanish radio broadcasts in 2003.

Hall stepped outside of baseball for employment during the 1999 season, as he hosted a three-hour morning talk show on the Dodgers' flagship station (XTRA 1150 AM) and served as host of the "Dodger Game Day" pregame radio show when the team played at Dodger Stadium. He also had a stint in front of the camera as a weekend sports anchor at KNBC-TV (Ch. 4) in Los Angeles.

He received a bachelor's degree from Arizona State University, where he was named "Man of the Year" in 1991, in broadcasting and journalism and a master's degree from Ohio University in sports administration. In 2012, he received an honorary Doctorate degree from the University of Phoenix. He was inducted into the ASU Walter Cronkite School of Journalism and Mass Communications Alumni Hall of Fame in 2002 and was awarded the ASU Young Alumni Achievement Award in 2003. In 2006, Ohio University's Sports Administration Program recognized Hall as the 25th recipient of the Charles R. Higgins Distinguished Alumnus Award. Hall

was the keynote speaker for ASU's Cronkite school convocation in December 2008, becoming the first Cronkite alum to deliver a commencement speech at the school's graduation and also spoke at the W.P. Carey School of Business and the University of Phoenix convocations in 2012.

His philanthropic efforts led to Hall being named the APS Peacemaker Award at Valle del Sol's Profiles of Success, the Bill Shover Leadership Award from United Blood Services and the Phoenix Award by the Phoenix Chapter of the Public Relations Society of America (PRSA) in 2013. He was the inaugural recipient of the Goldwater Community Service Award in 2012 by the Active 20-30 Club of Phoenix. In 2007, he was named to the *Phoenix Business Journal's* "Forty Under 40" class, was the recipient of the "Community Lifeline Award" from Teen Lifeline and was named the Phoenix Father's Day Council "Father of the Year" to benefit the American Diabetes Association. The *SportsBusiness Journal* added him to its prestigious "Forty Under 40" class in 2008. The *Phoenix Business Journal* also named Hall to its inaugural list of "Most Admired CEOs" in 2009. Hall is also a member of the ASU W.P. Carey School of Business "Dean's Council of 100," Young Presidents' Organization and the Thunderbirds.

He faced his greatest personal challenge when he was diagnosed with prostate cancer in September 2011, just as the team was battling for a division title. Hall immediately went public with the diagnosis in order to encourage other men to get tested after age 40. Following successful surgery to remove his prostate, Hall is now cancer free and has become a tireless advocate of cancer-fighting charities while continuing to speak publicly about the health challenge he faces. In 2014, he launched his own 501(c)(3) organization, the Derrick Hall Pro-State Foundation, which is dedicated to serving as a comprehensive tool for those who have been diagnosed with prostate cancer and their families to help them understand the challenges and choices they face and how they can maintain a "pro" state of mind. In 2014, he was honored with the USC Institute of Urology's Louis Zamperini Courage Award and the Pro-State Foundation was honored by Jane Seymour's Open Hearts Foundation, which supports organizations that are committed to positively impacting lives in the areas of health, education, arts and sports.

Hall and his wife, Amy, reside in Paradise Valley with two of their three children, Hayden and Kylie. Their oldest son, Logan, attends Pepperdine University where he is a member of the tennis team.

TONY LA RUSSA

Tony La Russa is in his first full season as the D-backs Chief Baseball Officer and 54th in professional baseball. He joined the franchise on May 17, 2014, and in his current role, is responsible for all facets of the organization's baseball operations. The 2014 inductee into the National Baseball Hall of Fame was the first person in Major League history to hold the position of Chief Baseball Officer.

La Russa, the winningest Major League manager since 1950 and the third-winningest of all-time, captured 3 World Series titles (1989, 2006, 2011), 6 League Championships (1988-90, 2004, '06 and '11), 12 division titles (1983, '88-90, 1992, '96, 2000, '02, '04-06 and '09) and was a 4-time Manager of the Year (1983, '88, '92, 2002). He and Sparky Anderson are the only 2 managers to win World Series titles in both leagues. His 2,728 regular-season wins as a manager trail only Connie Mack (3,731) and John McGraw (2,763) all-time, his 70 postseason wins are second-most behind Joe Torre (84) and his 14 postseason appearances are third-most behind Bobby Cox (16) and Torre (15).

Upon taking the reins of the D-backs' Baseball Operations, La Russa spent the 2014 season evaluating the entire system before naming Dave Stewart as Sr. VP & General Manager and De Jon Watson as Sr. VP, Baseball Operations. La Russa also led the process of hiring Chip Hale as the team's manager and together the group spent the offseason retooling the franchise. Cuban free agent outfielder/third baseman Yasiel Puig was signed to a 6-year contract while several trades were made to overhaul the big league starting rotation, in addition to adding Minor League depth.

La Russa joined the D-backs following two seasons at Major League Baseball's league offices, serving as a Special Assistant to Commissioner Allan H. (Bud) Selig. He has also served on the Commissioner's 14-member Special Committee for On-Field Matters since December 2009.

He retired at the height of his success, following the 2011 World Series championship as skipper of the St. Louis Cardinals. La Russa finished his big league managing career with a .536 regular-season winning percentage (2,728-2,365) and a .547 postseason winning percentage (70-58). He led his teams to 100-plus wins on 4 occasions (1988, '90, 2004-05), a .600-plus winning percentage 6 times and a .500 winning percentage or better in 24 seasons.

He managed for 33 seasons in the big leagues with the Chicago White Sox (1979-86), Oakland A's (1986-1995) and St. Louis Cardinals (1996-2011) along with parts of 2 seasons managing in the minors. During his 16-year professional playing career, La Russa spent parts of 6 seasons in the Majors with the Kansas City Athletics (1963), Oakland A's (1968-71), Atlanta Braves (1971) and Chicago Cubs (1973).

La Russa's big league managerial career began with the White Sox in 1979 at the age of 35, when he became the youngest manager in the game. He was hired by then-General Manager Roland Hemond, who currently serves as D-backs Special Assistant to President & CEO Derrick Hall. He has been widely credited with creating the modern specialized bullpen and was an early adopter of statistical analysis.

CHIEF BASEBALL OFFICER

He reached the pinnacle of his career in 2014, when he was elected to the National Baseball Hall of Fame by the Expansion Era Committee along with former Managers Cox and Torre. He was also inducted into the Cardinals Hall of Fame in 2014 and had his No. 10 retired by the team. La Russa is a member of the National Italian American Sports Hall of Fame (1998) and the Hispanic Heritage Baseball Museum Hall of Fame (2008).

A native Spanish-speaker, La Russa graduated from Jefferson High School in Tampa, Fla., the same school that produced current D-backs Special Assistant to the President & CEO Luis Gonzalez as well as former big leaguers Tino Martinez and Fred McGriff.

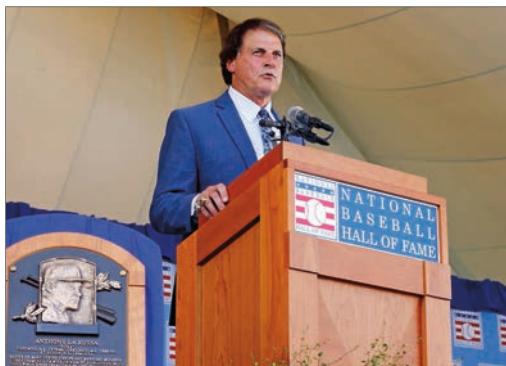

La Russa graduated from the University of South Florida with a degree in industrial management and earned his Juris Doctor from Florida State University in 1978, passing the Florida bar in 1979. He was one of just five lawyer/managers in baseball history, all of whom are in the National Baseball Hall of Fame. La Russa and his wife, Elaine founded Tony La Russa's Animal Rescue Foundation (ARF) in 1991 to address the needs of companion animals. Their vision is an organization that can aid abandoned and homeless animals and promote the concept that people's lives can be enhanced by the bonds between humans and animals. The foundation has raised millions of dollars and for his efforts, he was awarded the American Society for the Prevention of Cruelty to Animals' (ASPCA), prestigious Henry Bergh Founder's Award in 2007.

CULLEN MAXEY

EXECUTIVE VICE PRESIDENT, BUSINESS OPERATIONS

Cullen Maxey is in his ninth season with the Arizona Diamondbacks in 2015 and sixth as Executive Vice President, Business Operations. Maxey oversees all revenue-generating departments throughout the organization, including Analytics, Broadcasting, Communications, Community Affairs, Corporate Partnerships, Special Projects/Fan Experience, Game Operations/Multimedia Production, Marketing, Spring Training and Ticket Sales & Service.

Since joining the D-backs as Vice President, Corporate Partnerships, Maxey has stimulated revenue generation throughout the organization by enacting a proactive sales and service approach unique to Major League Baseball. Under his leadership, the philosophy of decreasing marketing clutter and developing rewarding relationships has resulted in a 50 percent increase in revenue while decreasing the organization's total number of corporate partners by 25 percent.

In 2014, the D-backs fundraising and community giving reached its highest levels, as the team and Arizona Diamondbacks Foundation have now given back more than \$41 million since their inception and raised more than \$25 million since 2009. The D-backs Give Back Jersey Program was a huge success in its first year and will expand to 60 youth leagues and 35,000 athletes this year, each of whom will be wearing D-backs uniforms. Additional community programs created during his tenure include the Back-to-School Challenge which has awarded \$550,000 to local schools; the \$1 million D-backs Helios scholarship program geared towards underserved college students; the 50/50 raffle which has raised more than \$2 million for the community; the annual Celebrity Golf Classic benefiting military veterans programs; and the annual Evening on the Diamond, which has become one of the largest fundraising events in the Valley. Maxey also created the D-backs Executive Council which brings together key executives throughout the Valley to contribute ideas, help fundraise and assist in executing the team's philanthropic efforts.

For the fourth consecutive year, the D-backs hosted the Most Valuable Partner awards program in January, a first-of-its-kind concept created by Maxey as a more effective way to teach marketing practices year round in a captivating way that motivates partners to participate. The on-stage produc-

tion and dinner showcases the winners of each category and has garnered local and national attention, just one of several ways the D-backs seek to provide a better return for corporate partners. It has been lauded as a revolutionary way of improving the business-to-business summit in sports.

The D-backs' ticket sales strategies have continued to pay off, as an increased focus on business analytics has allowed the team to increase total ticket revenue, season ticket revenue, group sales and suite sales in each of the past five seasons despite a challenging sales climate. Maxey led the development of a season-ticket holder advisory board to gain a better perspective from the most valued customers, and the team has created the Season Ticket Advantage program in 2015 to continue to service those fans.

Maxey played a key role in directing his business operations team to ensure the success of the 2011 All-Star Game, which was played at Chase Field for the first time ever, the 2013 World Baseball Classic and 2014 Opening Series in Sydney, Australia. He has also played an integral role in the creation and execution of Salt River Fields at Talking Stick, the Spring Training facility on Salt River Indian Community land and the multi-million dollar Legends Entertainment District, the team's unique partnership with the Phoenix Suns that has begun to revitalize downtown Phoenix. With 55,000 square feet of dynamic outdoor digital and static signage opportunities, the project has developed new revenue for both teams while helping promote ticket sales and deliver team messages to more than 8 million annual visitors and 700 diverse events each year.

Maxey's path to the D-backs began with revenue generating positions at the Phoenix Suns from 1997-2001. He served as VP of Corporate Sales for the Phoenix Coyotes from 2001-04, which was highlighted by the opening of their new arena in Glendale. Prior to joining the D-backs, Maxey spent two years as the General Manager of Sun Devil Sports Marketing for CBS Collegiate Sports Properties, the multimedia rights holder of Arizona State University Athletics.

The Phoenix native is a member of the Thunderbirds and serves on the board for the Arizona Diamondbacks Foundation, Boys & Girls Club of Metro Phoenix, St. Joseph's Hospital and Medical Center Foundation and the Special Olympics of Arizona.

He and his wife, Brenda, have two children, Will and Lizzie, and reside in Chandler.

JOHN FISHER

SENIOR VICE PRESIDENT, TICKET SALES AND MARKETING

John Fisher is in his eighth year with the Arizona Diamondbacks in 2015, and fifth as the organization's Senior Vice President, Ticket Sales & Marketing. Fisher oversees all groups, suites and season ticket sales, service and ticket operations as well as all marketing efforts for the D-backs.

Fisher, who became a team Vice President prior to 2010, originally joined the D-backs in October 2007 as Director, Season Ticket Sales and Service and managed a staff of season tickets sales representatives that set an organizational record in new ticket package revenue for the 2008 season. His team increased the organization's full-season equivalents in 2008 for only the second time in franchise history and second time since 2002 after winning the World Series in 2001. Fisher also managed the season ticket service staff that achieved renewal rates of around 80 percent entering the 2009 and 2010 seasons despite the downturn in the economy.

In 2011, he assisted Major League Baseball in pricing and sales strategies for the All-Star Game, which took place at Chase Field.

Prior to joining the D-backs, Fisher was the Vice President of Sales and Service for the Minor League Lake Erie Monsters of the America Hockey League for one season (2006-07) after spending six (2001-07) leading group sales efforts for the NBA's Cleveland Cavaliers and Quicken Loans Arena. He played an integral role prior to the start of the 2008 season in the installation of the new Daktronics HD video scoreboard, a \$14 million project that also included the build-out of video production rooms to service the new board, and the technology

behind the digital media network throughout the ballpark's concourses. LUIS GONZALEZ

SPECIAL ASSISTANT TO THE PRESIDENT & CEO

One of the most popular figures in Arizona Diamondbacks history because of the way he interacted with fans and his game-winning single in Game 7 of the 2001 World Series to give the organization its first World Championship, Luis Gonzalez is in his sixth full season as a Special Assistant to the President & CEO with the D-backs in 2015. Gonzalez rejoined the organization in August 2009 after officially retiring as a player following his 19-year Major League career.

In his role, Gonzalez assists D-backs President & CEO Derrick Hall and other departments throughout the baseball and business side of the organization. He also continues to make an impact in the community with the Arizona Diamondbacks Foundation, interacts with season ticket holders at special events, meets with corporate partners, fills in on the D-backs' radio and television broadcasts and spends time with Minor and Major League players throughout the organization. Gonzalez also interacts with children at the team's D-backs Baseball Academy camps and participates in the annual week-long Fantasy Camp.

In January, he teamed up with the Arizona Diamondbacks Foundation for the inaugural Luis Gonzalez Celebrity Hitting Challenge. More than \$95,000 was raised to benefit non-profit charities that support first responders and their families. His "Going Gonzo for Kids" initiative that he started in 2010 through the Arizona Diamondbacks Foundation contributed \$100,000 in each of its first four years to a variety of Arizona-based children's charities.

For his contributions as a player and a member in the community, Gonzalez became the first former player to have his number retired by the D-backs during a pre-game ceremony on Aug. 7, 2010. His No. 20 can now be seen in 5-foot purple numbers on the façade of the party suites in right field at Chase Field next to Jackie Robinson's No. 42, which was retired in perpetuity by Major League Baseball on April 15, 1997.

In 2014, Gonzalez was inducted into the Latin American Sports Hall of Fame and the Tampa Sports Hall of Fame in his hometown in Florida. In February, he was enshrined in the Latino Baseball Hall of Fame at a ceremony at La Romana, Dominican Republic, alongside former Major Leaguers Carlos Delgado (Puerto Rico), Nomar Garciaparra (Mexico), Ozzie Guillen (Venezuela), Pedro Martinez (Dominican Republic) and Roberto Kelly (Panama). Gonzalez compiled a .283 batting average, 2,591 hits, 354 home runs and 1,439 RBI during his career with the Houston Astros, Chicago Cubs, Detroit Tigers, Los Angeles Dodgers, Florida Marlins and D-backs. His 596 career doubles rank 15th in baseball history. Gonzalez is one of only 19 play-

For his many community contributions during his playing career, Gonzalez was named the 2005 winner of the Branch Rickey Award, presented by the Rotary Club of Denver to individuals in baseball who contribute unselfishly to their community and who are strong role models for others.

Gonzalez was the Astros' fourth-round selection in the June 1988 First-Year Player Draft out of the University of South Alabama, where he earned Baseball America's All-Freshman second team honors and was later inducted into the university's Hall of Fame in 1999. He graduated from Tampa's Jefferson High School in 1985, earning a spot in the school's Hall of Fame and teaming with former Major Leaguer Tino Martinez. The school also produced D-backs Chief Baseball Officer Tony La Russa.

A 2-time D-backs nominee for the prestigious Roberto Clemente Award (2000 & '03), Gonzalez currently serves on the Board of Directors for the Baseball Assistance Team (BAT) and the Arizona State Fair. In 2015, he will serve as the Corporate Chair for the JDRF Walk to Cure Diabetes.

ROLAND HEMOND

SPECIAL ASSISTANT TO THE PRESIDENT & CEO

One of the most respected and experienced executives in baseball, Roland Hemond is in his eighth season during his second tour of duty with the Arizona Diamondbacks in 2015. He rejoined the D-backs midway through the 2007 season as Special Assistant to the President & CEO and in 2011, was selected as the second recipient of the Buck O'Neil Lifetime Achievement Award by the National Baseball Hall of Fame and Museum's Board of Directors for his extraordinary efforts to enhance the game's positive impact on society. Presented with the award in Cooperstown, N.Y., the honor is bestowed upon an individual whose efforts broadened the game's appeal and whose character, integrity and dignity is comparable to the late O'Neil, who passed away in 2006 after eight decades of contributions to the game. O'Neil was honored as the first recipient of the award in 2008.

Since joining the D-backs, Hemond has provided counsel to Derrick Hall and strengthened the D-backs' relationships throughout Major League Baseball while enhancing the organization's initiatives in Mexico. For three consecutive Spring Trainings from 2008-10, the D-backs played exhibition games in Hermosillo, Mexico and the team will do so again in 2015. He regularly represents the team at the annual First-Year Player Draft at MLB Network's headquarters in Secaucus, N.J.

A 3-time winner of MLB's Executive of the Year award, Hemond has 64 years of professional baseball experience, including 23 seasons as a general manager with the White Sox (1971-85) and Baltimore Orioles (1988-95) and five seasons as Senior Executive Vice President with the D-backs (1996-2000). He later served as Executive Advisor with the White Sox (2000-07) until rejoining the D-backs. Hemond, who is considered the architect of the highly successful Arizona Fall League that began in 1992, is a nationally recognized ambassador of the game and a highly sought-after speaker. His professionalism, friendliness and willingness to contribute ideas and advice are attributes unmatched in the industry.

He was inducted into the Boston Braves Historical Association Hall of Fame (2007), was presented with the prestigious William J. Slocum Award at the New York baseball writer's dinner and the Honors Award from the Baseball Coaches of America (2006). In 2003, Hemond was honored with the esteemed Branch Rickey Award, presented by the Rotary Club of Denver to individuals in baseball who contribute unselfishly to their community and who are strong role models for others. He was the first non-uniformed person to receive the award and remains the only one with that distinction.

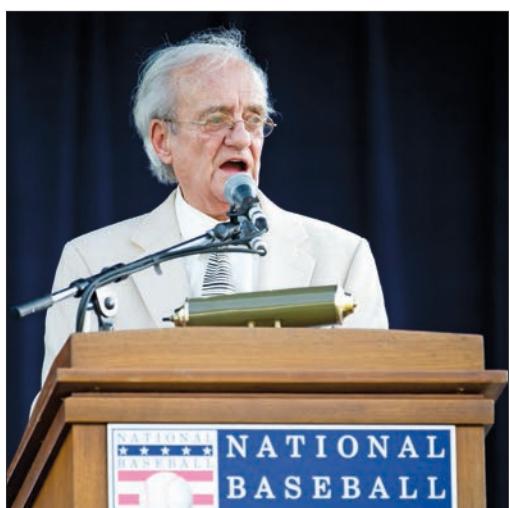

During his first stint with the White Sox, Hemond was named Executive of the Year in 1972 and 1983. The 1972 White Sox went 87-67 for the organization's first winning record in five seasons. The 1983 club went 99-63 and won the AL West Division title by 20 games, which was then a record for largest winning margin. While with Baltimore in 1989, Hemond was tabbed Executive of the Year for the third time after the Orioles improved 32.5 games from the previous season and made a 22-game improvement in the standings. During his tenure with the White Sox and Orioles, Hemond negotiated 135 trades involving 428 players.

Hemond was honored by Minor League Baseball for his longtime dedication and service to the game as the 2001 "King of Baseball." Hemond's baseball career began in 1951 as a front office member of the Eastern League's Hartford Chiefs. He also worked with the Boston/Milwaukee Braves from 1952-60 before being hired as Scouting and Farm Director of the Los Angeles Angels in 1961. Hemond remained in that role until joining the White Sox in September 1970.

Hemond is president of the Association of Professional Ballplayers of America, a non-profit organization that helps former and current players and baseball personnel in need. Along with White Sox executive and former agent Dennis Gilbert and scouts Dave Yoakum and Harry Minor, Hemond helped found the Professional Baseball Scouts Foundation to provide assistance to longtime scouts who are in need of special support.

Four annual awards are named in Hemond's honor: the first is presented by the White Sox in honor of those dedicated to bettering the lives of others through extraordinary personal sacrifice; the second is the *Baseball America* Award, presented to the person who has made major contributions to scouting and player development; the third is the Society of American Baseball Research (SABR) Award, given to the executive who has displayed great respect for scouts; and the final one is presented by the Arizona Diamondbacks to the individual in scouting who exemplifies the qualities of strong character, dedication to the D-backs' organization and an unfailing work ethic in the search for championship-level talent. Hemond was the inaugural recipient of both the Baseball America and SABR awards. He received an honorary degree in Humane Letters from the University of Phoenix in July 2006 and has encouraged baseball players, coaches and front office personnel to pursue their college degrees with the University of Phoenix online program, as well as other colleges. Hemond was named an honorary member of Princeton University's 1954 class after speaking at a sports symposium at the university in 2009.

Hemond is a native of Central Falls, RI. He and his wife, Margo, reside in Phoenix and have five children: Susan, Tere, Robert, Jay and Ryan, and four grandchildren: Taylor, Zane, Cameron and Natalie. Margo's father is John Quinn, a former Major League general manager for 28 years with the Boston Braves, Milwaukee Braves and Philadelphia Phillies. Margo's grandfather, James A. "Bob" Quinn, was a player, front office executive and owner of the Columbus, Ohio affiliate starting in 1888, giving the family continuity in professional baseball for parts of three centuries. The elder Quinn was a part owner of the Boston Red Sox and Boston Braves and was the President of the National Baseball Hall of Fame and Museum from 1948-51. Hemond's son, Bob, is the founding partner of the Pacific Coast League's Sacramento River Cats.

In 2001, Johnson was named the co-MVP of the D-backs' World Series Championship, helping the franchise win the only major sports title in the state's history in just the fourth year of the franchise's existence. After striking out 11 New York Yankees in a 3-hit shutout in Game 2, Johnson pitched 7.0 innings to earn the victory in the do-or-die Game 6 and then came on in relief during Game 7 to earn the victory. Of the team's 11 postseason wins that year, Johnson earned 5.

Johnson appeared in 22 big league seasons for the Expos, Mariners, Astros, D-backs, Yankees and Giants. His 303 career victories rank as the fifth-most by a left-hander in Major League history, while he holds 5 of the 7 highest single-season strikeout totals by a southpaw in modern history. His 5 Cy Youngs rank second all-time to Roger Clemens' seven and he is 1 of 2 pitchers to win the award 4 consecutive times (1999-2002) along with Pedro Martinez. NO-HITTERS

RANDY JOHNSON ON MAY 18, 2004 @ BRAVES

Adept at setting records throughout his career, Randy Johnson added something new to his impressive resume when he retired all 27 Atlanta Braves he faced on May 18, 2004, in Turner Field. At 40 years, 251 days, he became the oldest pitcher in history to record a perfect game, bettering Cy Young, who was 37 years, 37 days on May 5, 1904. Johnson's gem was the 15th in modern day regular season history, the 16th including Don Larsen's perfect effort for the Yankees in the 1956 World Series.

Johnson fanned 13 in the 117-pitch performance which concluded with a 98-mph pitch to Eddie Perez to end the game. It was the first no-no in franchise history and first perfect game in the Majors since the Yankees' David Cone on July 18, 1999, vs. Montreal. It was also the first perfecto in the National League since the Expos' Dennis Martinez retired all 27 batters he faced on July 28, 1991 @ Dodgers.

ALL-TIME NUMERICAL ROSTER

RETIRED NUMBERS

20 The D-backs retired Luis Gonzalez's number in a pre-game ceremony on Aug. 7, 2010. Gonzalez is the first former D-backs player to have his number retired by the organization. Gonzo is the franchise's all-time leader in nearly every offensive category after an 8-year stint with the D-backs from 1999-2006, leading all D-backs' players with 1,194 games, 1,337 hits, 310 doubles, 224 home runs, 650 walks, 780 runs, 774 RBI, 4,488 at-bats, 2,373 total bases, a .529 slugging percentage and .391 on-base percentage. The 5-time All-Star with the D-backs (1999, 2001-03, 2005) is remembered for his game-winning single in the bottom of the ninth inning in Game 7 of the 2001 World Series that gave the D-backs their first World Championship.

42 Bud Selig announced on April 15, 1997, that Jackie Robinson's No. 42 was retired by Major League Baseball, barring players on any Major League club to wear the number. As an exception to the retired number policy, MLB has recently begun honoring Robinson's legacy by allowing players to wear No. 42 on April 15 each season to celebrate Jackie Robinson Day. For the 60th anniversary of Robinson's Major League debut, MLB invited players to wear No. 42 on Jackie Robinson Day in 2007. The gesture was originally the idea of Ken Griffey, Jr., who sought Rachel Robinson's permission to wear the number. After receiving her permission, Selig not only allowed Griffey to wear the number, but also extended an invitation to all clubs to do the same.

2001 WORLD SERIES - NOTEBOOK

- ♦ D-backs entered the World Series with Craig Counsell as the only active player in possession of a World Championship ring (Marlins, 1997) while the Yankees were 3-time defending champs.
- ♦ Randy Johnson and Curt Schilling were the second co-MVP's in World Series history joining the Los Angeles Dodger trio of Ron Cey, Pedro Guerrero and Steve Yeager...it marked the 20th and 21st time a starting pitcher won the award, first since Florida's Livan Hernandez in 1997.
- ♦ It was the third time in World Series history that the home team won every game, joining the Twins against St. Louis in 1987, and Twins against Atlanta in 1991.
- ♦ D-backs outscored New York 31-5 in the 4 wins, and were outscored 9-6 in the trio of 1-run losses in the Bronx.
- ♦ D-backs were the fastest expansion team to get to the Fall Classic a year quicker than Florida in 1997...at the time, other expansion clubs to make the World Series and the year they qualified - Mets (eighth year), Royals (12th year), Seattle Pilots/Milwaukee Brewers (14th year), San Diego (16th year), Toronto (16th year)...remaining expansion clubs that have not appeared in the Series include the Angels, Senators/Rangers, Colt 45's/Astros, Expos, Mariners, Rockies and Devil Rays.
- ♦ Arizona's pitching held the Yankees to .183 team average (42-for-229), the lowest average ever in a 7 or 8 game World Series...previous low was .185 by St. Louis vs. Kansas City in 1985.
- ♦ Arizona's overall staff ERA of 1.94 was lowest in World Series play since Cincinnati's 1.70 mark in a 4-game sweep of Oakland in 1990 and lowest in a 7-game set since Kansas City had a 1.89 mark in '85 vs. the Cardinals.
- ♦ D-backs were the first team in 80 years to win the first 2 games they ever played in the World Series, the fourth team overall joining the 1914 Boston Braves, 1919 Cincinnati Reds and 1921 New York Yankees.
- ♦ The walk-off finish to Game 7 was the 11th overall "sudden death" ending to a World Series, the third in a row that involved a 7-game series...the last was the 1997 finish when Craig Counsell scored the tie-breaking run in the 10th inning as Florida defeated Cleveland...the other was Minnesota's 10th inning win over the Braves in the Metrodome in 1991.
- ♦ D-backs are the 19th team to win the series after trailing 3 games to 2...it was also the 11th time a team won Games 6 and 7 at home.
- ♦ It was the first time the Yankees were involved in a Game 7 of any postseason series since the 1964 World Series went to the limit against St. Louis.
- ♦ D-backs snapped New York's postseason series streak at 11, handing the Bronx Bombers their first series loss since the 5-game Division Series with Cleveland in 1997.
- ♦ When Curt Schilling and Roger Clemens hooked up in the final game, it marked the sixth time 20-game winners squared off in the seventh game, first since John Tudor (St. Louis) and Bret Saberhagen (Kansas City) in 1985.
- ♦ The 15-2 win in Game 6 alone was worth the following tidbits:
 - + D-backs recorded a World Series-record 22 hits.
 - + 15 runs tied with Toronto for third highest in a World Series game.
 - + 13-run margin of victory tied for second best ever matching the Yankees' 16-3 win over Pittsburgh in Game 2 of 1960 World Series, and was the second-highest ever, just behind an 18-4 Yankee win in Game 2 of the 1936 win over the Giants.
 - + 15-0 lead after 5 innings tied the biggest lead by any team at any time in World Series game...the Yankees had a 16-1 lead in Game 2 of the '60 series against Pittsburgh.
 - + Arizona's 8-run third inning marked the best inning since Game 6 of 1968 series when Detroit scored 10 times in third inning of 13-1 win over St. Louis.

REMEMBERING OUR FRIENDS

JOHN MICHAELSON RADIO BOOTH

The Arizona Sports 620 radio booth was named after John Michaelson prior to the 2001 season, honoring the veteran producer/engineer who passed away in the winter of 2000. A veteran behind the scenes in radio broadcasting for years, including three seasons on D-backs broadcasts, Michaelson was a tireless worker and friend to all who came in contact with him.

STEVE PASCENTE MEMORIAL PRESS LOUNGE

Steve Pascente was one of the most dedicated at his craft as a sports reporter/anchor for 12 News/KPNX-TV and died while on location covering football in Washington D.C. His wife, Julie, has kept his memory alive with the Steve Pascente Charitable Foundation, which supports a variety of foundations including Widowed With Children, The Steve Pascente Memorial Scholarships at Arizona State University and The Andre House. When the D-backs opened the 1998 season against the Colorado Rockies, Nick Pascente, the son of Steve and Julie, served as honorary batboy.

DICK DOZER MEMORIAL PRESS BOX

Dick Dozer spent the majority of his life covering Major League Baseball for the *Chicago Tribune*, but he was hardly a stranger to the Valley. He arrived in Phoenix and wrote for the *Phoenix Gazette*, while also contributing his time in organizing the annual "Dream Game," an old-timers contest that benefitted the Phoenix Memorial Hospital Foundation, and working with the Mesa Ho-Ho-Kams. Dozer was BBWAA Chapter President in 1976. He passed away in 1994. His son, Rich, was an integral player in the D-backs' inception as team president from 1995-2006 and has an executive conference room named in his honor.
